# Mildew Magic™

## The only one that works!

**100% mildew removal. 100% moneyback guarantee.**

**10-times the removal power. Nothing else even comes close.**

**For use on vinyl, rubber, or plastic and many types of non-porous surfaces.**

**Application Instructions:** Just spray it on and rinse it off. No scrubbing, rubbing, or effort. Rinse within 10-minutes after use on vinyl, rubber, or plastic and other porous surfaces. In many cases this is a once and done mildew removal process, so one 16 oz. bottle will typically go a long way. Extremely heavy or long term mildew buildup may require two or three applications. Only use on colorfast vinyl, rubber, or plastic and other porous surfaces that will not discolor or fade. Initially apply Mildew Magic™ to a small non-visible test area before applying to larger visible areas. Do not use on wood or painted surfaces. Avoid contact with metal, aluminum, clothes, fabric, carpet or paper surfaces, as they can discolor. Can be used on many types of (pre-tested) non-fading porous surfaces and colorfast synthetic fabrics to remove mildew. Do not apply Mildew Magic™ without pre-testing on a non-visible area first.

**100% Money-Back Guarantee:** Simply take a photo of the area with mildew before you treat it with Mildew Magic™, then take another photo after you have treated the area with three applications of Mildew Magic™. Second and third applications should focus on remaining areas of mildew via spot treatment. If the area you treated still shows any significant mildew after three applications email us at [refunds@mildewmagicusa.com](mailto:refunds@mildewmagicusa.com) with the before and after photos, a photo of your receipt, a photo of the bottle's UPC code, and your mailing address, and we will immediately refund 100% of your purchase price, shipping costs, and sales tax paid. You keep any remaining Mildew Magic™. To qualify for 100% Money-Back Guarantee three applications of Mildew Magic™ in accordance with product labeling must be made within 6-months of original date of purchase.

**\$1 Million Guarantee:** If Mildew Magic™ when used in accordance with product labeling is determined to be the cause of damage to your vinyl, rubber, or plastic and other non-porous surfaces within 10-years of the original date of application (all other porous surfaces and fabrics excluded) Mildew Magic™ will pay up to \$1,000,000 USD per claim. Limit of one claim per purchaser or related entity. Contact us at [claims@mildewmagicusa.com](mailto:claims@mildewmagicusa.com) for additional information.
